Principal's Message

To the ones who have taught me most-- my students!

As another academic year draws to a close, I am filled with immense pride and gratitude for all we have achieved together at Learning Alliance.

I am especially proud of our students who have continued to exhibit exceptional academic performance, creativity and leadership. Your enthusiasm for learning, passion for exploration and dedication to personal growth inspire us all.

I take pride in having shared a wonderful academic year with you all, achieving milestones and making memories that shall last a lifetime. I wish good luck and great success to all who will sit for their CAIE's.

Hoping that this energy and willingness to give off yourself will continue into the next academic year for all. Wishing you all a restful and rejuvenating break ahead. Let us return with renewed vigor and enthusiasm to embark on another exciting chapter of learning and growth.

With Warm Regards

Ambareen Ali

Principal Learning Alliance

Senior Vice Principal's Message

A Level Programme

Dear Parents, Students, and Teachers,

As we gather to reflect on the strides we've taken this academic year, I want to address some areas that have come to the forefront of our school community's attention.

In the realm of mental wellness, our focus cannot waver. The rigor of academic testing, the college admission cycle and high placement expectations can contribute feelings of stress and anxiety and burnout. Therefore promoting young adults to adopt a healthy work/life balance at this age, and to teach them to regulate their emotions maybe the single most important contribution to helping them adapt to this ever changing world.

With the growing awareness of environmental degradation and where we have had growing concerns of severely lowered air quality I want to encourage our student community to embark on an approach to lifestyles that reflect stewardship and sustainability.

I want to extend my heartfelt congratulations to our graduating cohort for their remarkable achievements in this year's admission cycle. Your success is a testament to your dedication, resilience, and unwavering determination. We couldn't be prouder of the extraordinary young minds you've become.

As we embark on a well-deserved summer break, may it be filled with rest, rejuvenation, and cherished moments with loved ones. Let's return refreshed and recharged, ready to embrace the opportunities and challenges that lie ahead.

Warm regards,

Ayesha Mohsin

Message from
Afshan Mirza

Head of
Student Wellbeing Department

Dear Students,

I am delighted to address you in this year's school magazine. Our focus on student wellbeing is not just about addressing immediate needs, but also about equipping you with the skills and mindset to navigate life's challenges effectively. One of the most profound insights we can share with you is the incredible power of focus. At any given moment, each of us experiences a mix of positives and negatives in our lives. This balance is a natural part of the human experience, and while we may not always have control over these circumstances, we do have control over our response to them. This is where the power of focus comes into play. By consciously choosing to focus on the positive aspects of our lives, we can significantly influence our reality and overall well-being. Focus is more than just a mental exercise; it is a tool that shapes our perceptions and experiences. What we choose to concentrate on expands and becomes more prominent in our lives. By consciously directing your focus toward the positives and engaging in activities that build concentration, you are setting the foundation for a happier and more successful life. Let us all commit to making mindful choices that enhance our focus and well-being. Together, we can create a school environment where positivity thrives, and each one of you can achieve your full potential.

Warm regards,
Afshan Mirza

Message from
Shazia Umar - School Psychologist

Dear Students,

It is all about respecting others in spite of their differences and creating a focal point which highlights not the differences but the similarities in an individual or group. This involves empathy and being able to not necessarily agree but be able to understand the perspective of others to build social harmony. Let's make a peaceful and harmonious school environment together.

Warm regards,
Shazia Umar

Message from
Aiza Kamran - School Psychologist

Dear Students, Faculty, and Parents,

As the school psychologist, I am privileged to witness firsthand the incredible potential within each of you. One of the most powerful tools we possess is the ability to cultivate positivity in our daily lives. Positivity is not just a fleeting emotion; it is a mindset that can profoundly impact our overall well-being and success.

In our school community, fostering positivity is a collective effort. It begins with simple acts of kindness and empathy, whether it's offering a helping hand to a struggling classmate or sharing words of encouragement with a friend. By creating a supportive and inclusive environment, we empower each other to thrive.

Moreover, practicing gratitude is a powerful way to cultivate positivity. Taking time each day to reflect on the things we are thankful for can shift our focus from what's lacking to what we have, fostering a greater sense of contentment and joy.

As we embark on this journey together, let us remember that positivity is not just a destination but a continuous practice. Let's embrace each day with a hopeful heart and a resilient spirit, knowing that together, we can create a brighter, more compassionate world.

With warm regards,
Aiza Kamran

Message from *Saima Suleman* - School Psychologist

Dear students,

As a psychologist, I cannot stress enough the importance of setting goals and targets for yourselves. Goals give you a clear direction and purpose, helping you stay focused and motivated. They allow you to measure your progress and celebrate your achievements, no matter how small they are. Setting targets also builds resilience and problem-solving skills, as you learn to overcome obstacles along the way. Most importantly, having goals helps you to grow personally and academically, paving the way for a successful and fulfilling life. Remember, every big achievement starts with a small, well-defined goal. Set goals to turn your dreams into reality and unlock your true potential.

Warm regards,
Saima Suleman

SWD @ LA

Throughout the year, our Student Wellbeing Department has actively engaged in numerous workshops catering to both students and teachers alike. These workshops have been thoughtfully designed to address various aspects of mental health, stress management, and overall well-being. By fostering open dialogue and providing valuable resources, we've strived to create a supportive environment conducive to personal growth and academic success. From mindfulness sessions to self-care practices, these initiatives aim to empower our school community with the tools necessary for resilience and flourishing. Together, let's continue nurturing a culture where well-being is prioritized and celebrated.

Head Boy's Message

In the quiet corners of our minds, dreams take root and flourish, shaping the tapestry of our aspirations. One such dream became reality when I was named headboy of Learning Alliance. It was a moment of overwhelming gratitude, highlighting life's infinite possibilities.

Reflecting on my journey at LA, the word "momentous" resonates deeply. Who would have thought that a shy boy would rise to become headboy? This achievement is a testament to perseverance and dedication.

My time at LA has been filled with academic challenges and joyful moments. Whether orchestrating school events or enjoying Miss Nosheen's treats, LA has been more than an institution; it's a sanctuary of friendships and cherished memories.

Amidst the hustle, my close-knit circle of friends has illuminated my path, offering unwavering support through every triumph and trial. True friendship is a treasure beyond measure! I also owe gratitude to the unsung heroes of our school—the custodial staff—who have been the silent guardians of our shared memories since my earliest days. Their tireless dedication deserves our heartfelt respect and thanks.

To the school administration—Mrs Iqbal, Miss Bubby, Miss Ayesha Sajid, Sir Sohail, and Miss Ayesha Mohsin—I am deeply grateful for their kindness and support, guiding me through school life's labyrinth. I must also acknowledge my co-head student, Hamna Asif, who has been a steadfast companion through every challenge and triumph. Sharing this title with her has underscored the importance of collaboration and friendship.

Reflecting on my time at Learning Alliance, I am filled with gratitude for the opportunities, friendships, and invaluable lessons learned. LA has been not just a school, but a sanctuary where dreams take flight and camaraderie echoes through the halls. For this, I will forever be grateful.

Muhammad Hasnain
Head Boy

Head Girl's Message

From Majid Bhai to Sonam Baji, and from Shaukat Uncle at the gate to Haji Sahab in the cafeteria, I am deeply grateful to everyone who has shaped my journey from student to Head Girl at Learning Alliance. Stepping into this school 11 years ago, I had little idea about the experiences that awaited me within these halls. Learning Alliance has become more than just an institution; it's become my second home. This year as Head Girl, alongside my fellow head student Hasnain, has been a whirlwind of growth and realization. Together, we navigated challenges and celebrated successes. It's true that my journey would have been incomplete without his unwavering support and partnership. To be honest, delivering speeches and organizing events were mere fragments of our shared responsibilities. The crux of our roles lay in safeguarding the interests of every student and promptly addressing their queries. Furthermore, after the COVID-19 pandemic, guiding our fellow students felt like a privilege and an honor as we regained the essence of traditional school life.

Within these walls, I've found not only knowledge but also camaraderie. The stories by Sir Shahid in math class were inspiring, while Sir Shahraiz's class sparked unconventional debates. Memories of off-topic discussions in Ms. Ayesha Sajid's office and frantic sprints for last-minute advice from Sir Suhail, Mrs. Iqbal, and Ms. Bubby are deeply ingrained in my heart, reminding me of the importance of respecting their guidance.

To those aspiring to become head students: embrace the journey with all its ups and downs. The most important lesson I've learned is that setbacks are inevitable, no matter how hard you work. But if you truly want something, you must be ready to go the extra mile to achieve and maintain it. And remember to find humor in the chaos, as sometimes a good laugh and good company are the best stress relief.

As we prepare for the next chapter of our lives, on behalf of the batch of 2024, I extend our deepest gratitude to Learning Alliance. Thank you for leaving a lasting mark on our hearts and minds. To the upcoming head students, I wish you all the best and hope you make us proud.

Hamna Asif

Principal's Message

Junior School

We bid adieu to yet another exciting year which Alhamdulillah went smoothly and has left numerous beautiful memories etched on our minds to cherish and to behold.

I have always held dearly onto our school's Mission Statement which not only emphasizes on helping students to develop intellectually but also believes in the grooming of their personality, making each one of them a responsible and compassionate global citizen, an embodiment of excellence on the world's stage.

Learning Alliance Junior School offers a congenial environment and numerous opportunities which help our students to bloom. We aim to strike the perfect blend between strong academics and co-curricular activities, which are essential for their mental, physical and emotional growth.

I am highly grateful to my dedicated faculty members who have empowered each one of the students, helping them to recognize their full potential, and teaching the right skills to uphold the school's ethos. I also take this opportunity to thank the parents who are an integral part of the school community, for bestowing faith in us and staying connected with us.

Throughout the year our campus witnessed a continuous buzz of holistic activities, unmatched energy, and avid enthusiasm. Classes I -IV performed brilliantly well in their presentations, whereas, class V had a sensational annual school play. Junior School students also participated in English and Urdu debates, and public speaking sessions. Speakers from different walks of life were also invited to share their experiences. I was delighted to see how well the students held informative exhibitions and interactive fairs, pertaining to Computers, Art and Collaboratory to enhance their learning. Sports Days were observed at all levels to help students build up their physical strength and to encourage them to work together in various activities. I hope and pray the ensuing Academic Year shall strengthens the students further and teaches them to appreciate diversity, remain more focused, resilient, and respect each other's opinions.

Last but not the least, I wish the outgoing class V every success in all their future endeavors as they embark on a new chapter; moving into Middle School. May the force be with them!

Have a wonderfully relaxing summer break.

Stay safe everyone!

Saima Tariq Shaikh

Principal

Vice Principal's Message

Junior School

Dear Students,

As we come to the close of another academic year, I want to extend my heartfelt congratulations to each and every one of you for your outstanding efforts and achievements. Together we have navigated through a year filled with rigorous academics, enriching extracurricular activities and inspiring co-curricular endeavors.

This year has been particularly special for our school community as we celebrated the 25th anniversary of our Learning Alliance. Throughout this momentous year, we had the opportunity to come together as the community and participate in various activities and events that revolved around this significant milestone. Some of the highlights of this year included the art competition, where we witnessed the creativity and talent of our students and the Spring Carnival which brought joy and excitement to our school grounds. These events not only showcased our collective spirit but also provided memorable experiences that will be cherished for the years to come.

As we celebrate the culmination of our hard work and dedication, I want to leave you with a message of motivation and encouragement. Never underestimate the power of hard work and perseverance. Each one of you possesses unique talents, strengths and abilities that have the potential to bring about positive change in the world. Believe in yourselves, set high goals and continue to push the boundaries of what you thought possible.

As you embark on your summer break and prepare for the adventures that lie ahead, keep in mind the importance of staying focused and staying motivated.

I am incredibly proud of all you have accomplished this year and I have no doubt that you will continue to achieve greater things in the future. Keep working hard, never give up and always strive for excellence in everything you do.

Wishing you all a restful and rejuvenating break. Take this time to recharge and refuel, for the best is yet to come.

Warm regards,
Amna Usman
